CLYUEN@buffalo.edu

Past President

Joseph Bernat  
Nassau Community College  
joseph.bernat@ncc.edu

President-Elect

Janis Mazza  
Nassau Community College  
janis.mazza@ncc.edu

Secretary

Lindsey Taube  
Herkimer County Community  
College  
taubelp@herkimer.edu

Treasurer

Brian Milleville  
Erie Community College  
millevilleb@ecc.edu

Region I Member-At-Large

Paul Seeburger  
Monroe Community College  
pseeburger@monroecc.edu

Region II Member-At-Large

Joshua Hammond  
Jefferson Community College  
jhammond@sunyjefferson.edu

Region III Member-At-Large

Theresa Powers  
Hudson Valley Community  
College  
t.powers@hvcc.edu

Region IV Member-At-Large

Matthew Rogala  
Westchester Community College  
Matthew.Rogala@sunywcc.edu

Scholarship Chair

Elizabeth McGrath  
SUNY Broome Community  
College  
mcgrathea@sunybroome.edu

Communications Chair

Colleen Stevens  
Onondaga Community College  
c.stevens3@sunyocc.edu

Professional Development Chair

Sandra Keegan  
Nassau Community College  
Sandra.keegan@ncc.edu

Dear Mathematics Scholar,

As chair of the NYSMATYC Scholarship Committee, I am pleased to announce that NYSMATYC is again offering scholarship awards to outstanding mathematics students. These one-time awards are in amounts of up to \$1000.

NYSMATYC awards are granted to mathematics students in New York State who have been enrolled in a two-year college during the 2024-2025 academic year and who expect to transfer to a bachelor's degree-granting institution during the 2024-2025 or 2025-2026 academic year and who plan to continue their studies in mathematics or a mathematics-related field. Apply if you have at least one year of Calculus completed (Calculus I and II), a minimum GPA of 3.5 in your completed mathematics courses, and a minimum overall GPA of 3.3. Students interested in mathematics education are especially encouraged to apply.

*NOTE: The scholarship awards are competitive! The requirements listed above are minimum eligibility criteria and do not guarantee being selected for an award!!!*

A carefully prepared student statement is a very important part of the application. Your statement should outline your academic as well as career goals and objectives. Any special events or circumstances that may have affected your performance should be mentioned. The committee realizes that every applicant is a good student and needs money. Therefore, your statement should provide the committee with some information that is not obvious from the application form or your transcript. In particular, address qualities that you believe make you worthy of the title *mathematics scholar*.

Timing is also very important! Official transcripts and all applications, student statements, and letters of recommendation must be submitted by **11:59 pm on March 1, 2025**. For best results, give your recommendation writers time to contemplate their letters. *All completed applications will be confirmed through the email provided in the application.*

Good luck! If you have any questions, see your campus NYSMATYC representative or contact me directly at [mcgrathea@sunybroome.edu](mailto:mcgrathea@sunybroome.edu). Application materials are posted at [www.nysmatyc.org/scholarships/](http://www.nysmatyc.org/scholarships/).

Sincerely,

Elizabeth McGrath  
NYSMATYC Scholarship Committee Chair
